Grandma Shaw's Pecan Pie

It's an honor to present this cherished memory of generations past. Gladys Shaw, the much loved mom of one of our founders, kept her family's original recipe for this Southern-style pie in her heart and her memory when she moved from Mississippi to Texas. She graciously bequeathed us the recipe, so that we can bring you the same rich, flaky crust and thick, sweet pecan filling. It's covered with a bounty of crisp native pecans.
