Apricot Pecan Cake

An artful blending of exquisite ingredients creates a cake with exceptional taste and texture. The glazed golden Apricot Pecan Cake is covered with the sun-drenched fruit of the "land down under." Tangy slices of Australian apricots layer each slice. Fresh native pecans, shelled right here in Corsicana at their flavor peak, pack richness and crunch. From your first satisfying bite to the last, this cake tastes orchard-fresh, making it the perfect cake to share with guests.
